

Ministry Teams

Ministry Teams shall be composed of members of the church and are officially established by the church, upon recommendation of the Nominating Committee, in consultation with the Senior Pastor, to implement the mission and ministry of St. Matthews Baptist Church. All Ministry Teams are to have a Director other than the Senior Pastor or a Staff Minister. Ministry Team Directors are to be recommended by the Nominating Committee for election by the Church. They serve in this role until the relationship is ended by resignation or by the Nominating Committee. A Staff Liaison for each Ministry Team shall be assigned by the Senior Pastor. Ministry Team volunteers are to be recruited by the Director and Staff Liaison on the basis of their spiritual gifts, experience, skills, personality, and passion for that area of ministry. Volunteers serve until the relationship is ended by resignation or by the Director or Staff Liaison. The Church shall maintain a listing of all Ministry Teams, their Director, and volunteers. Each Ministry Team is ultimately responsible to the congregation and shall give an annual report to the Church.
