## EXPERIENCING GOD: KNOWING AND DOING THE WILL OF GOD

This treasured and revised learning experience is an invitation to experience God and awaken believers to a radically God-centered way of life. Are you longing to know God more intimately, to recognize His voice and to understand His will for your life? God invites us to experience Him in a love relationship through which He reveals to you His will, His ways, and His work. When you recognize where God is working, you can join Him in what He is doing. Then you will experience God doing through you what only He can do. Trip Fetter and Terry Seelow will facilitate this group in room 307 on **Wednesdays at 6:30 pm starting January 5th.** The workbook costs \$10.

## SEEKING HIM: EXPERIENCING THE JOY OF PERSONAL REVIVAL (WOMEN ONLY)

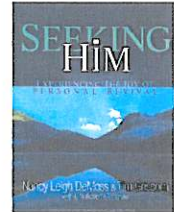

**Tuesdays 9:15-11:30 am (Beginning January 11)**

Few of us experience the joy of personal revival. Our time spent with God is short and hurried, and we miss out on the intimacy He desires. To change this, we need to seek the Lord for contagious revival that begins in us and spreads to others. In *Seeking Him*, Nancy Leigh DeMoss and Tim Grissom show believers how to deepen their relationship with the Lord and enjoy a dynamic, intimate walk with Him.

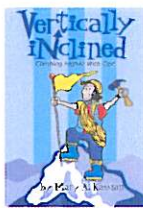

Leaders: Bev Jones & Bobbie Whitten

Location: Room 221

## VERTICALLY INCLINED: CLIMBING HIGHER WITH GOD (WOMEN ONLY)

Most believers experience a life with a few highs and lows, ups and downs, and maybe an occasional mountaintop experience. But this exciting, seven-session, video-based study is especially designed to show Christian women how, by tethering themselves more securely to Him, they can climb to greater spiritual heights.
