

## **Our Missionary Residence**

The St. Matthews Missionary House is available on request to active missionaries with the Cooperative Baptist Fellowship or the International Mission Board of the SBC. Missionary families on stateside assignment find the house a blessing because it is clean, fully furnished, convenient to church and schools and very affordable. Resident families find it easy to integrate into life and the ministries of the church.

The Missionary Residence is managed by our Missionary Residence Ministry Team.

Their responsibilities include:

- Implement and maintain policies concerning the missionary residence;
- Make recommendations to the Church concerning the furnishing, equipping and maintenance of the missionary residence;
- Supervise the use of the missionary residence.

Our Missionary Residence Team is directed by Mary Ann Wise and Linda Hoffman.
