

Our Parents Day Out of St. Matthews Baptist Church is a wonderful weekday ministry for parents and young children! The PDO is in session from 9:00 - 1:00 on Tuesdays and Thursdays during the academic school year. We provide love and care and lots of educational and social activities for young children, ages 2 and younger. We currently have 85 children enrolled in our PDO and have just a couple of spaces for other friends. Our PDO has often been recognized as one of the best in Louisville! Call Missey McMillan, Director, at 896-8882 if you would like more information about our Parents Day Out.

Our Weekday Preschool of St. Matthews Baptist Church is another wonderful weekday ministry! The Weekday Preschool is in session from 9:00 - noon Monday - Friday during the academic school year. Begun in 1958, we are now in our 51st year of providing quality preschool education for children ages 3-5. We have 106 young children enrolled in our Weekday Preschool and currently have spaces for 12 more children. Our state licensed Weekday Preschool has long been heralded as a first-rate school -- by state licensing, parents, community, and, perhaps most importantly, the children! Call Barbara Wise, Director, at 992-9000 if you would like more information about our Weekday Preschool.
